Dr. Joshua Lederberg
Department of Genetics
University of Wisconsin
Madison, Wisconsin

Dear Doctor Lederberg:

Dr. Winternitz and the members of the Boards of the Jane Coffin Childs Memorial Fund are most desirous of keeping up-to-date our knowledge of the accomplishments of former Fellows of the Fund. You are no doubt aware of this as you have cooperated in sending us yearly reports in the past.

The Fund would greatly appreciate a brief report at this time on any activities that you might think to be of interest. To assist you, we are enclosing an outline that can be filled out. If you prefer, a brief paragraph would be most acceptable.

With all good wishes,

Sincerely yours,

L. L. Waters

L. L. Waters, M.D.
